Item 2.02 Results of Operations and Financial Condition.

NeuroBo Pharmaceuticals, Inc. (the “*Company*”) estimates no revenue for the three months ended September 30, 2022. Net cash used in operating activities for the three months ended September 30, 2022 is projected to be approximately \$2.4 million, 6% lower than the net cash used in operating activities for the prior-year quarter ended September 30, 2021. The Company had a cash balance of approximately \$6.4 million as of September 30, 2022. The Company has not yet completed their normal quarterly review procedures for the three months ended September 30, 2022, and as such, the final results for this period may differ from these estimates. Any such changes could be material. These estimates should not be viewed as a substitute for full interim financial statements prepared in accordance with U.S. generally accepted accounting principles. The preliminary results provided above are not necessarily indicative of the results to be achieved for the remainder of fiscal 2022 or any future period.

In accordance with General Instruction B.2 of Form 8-K, the information included in this Current Report on Form 8-K is furnished pursuant to Item 2.02 and shall not be deemed to be “filed” for the purpose of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section.
